Welcome! We are glad to have you submit an application to be considered as a Guest for the 20th Annual Sandia Heights Art Tour 2023. The following information tells you what we are looking for from the guest artists selected and identifies the steps to follow to insure your application is received and included in the Jurying Committee process.

Your work is excellent but we cannot feature only abstract artists, potters and jewelers. Please understand, we need a fair representation from multiple media and will need to make choices.

All guest artists chosen will need to attend monthly evening planning meetings (distance not an excuse), special events such as preview night showings, and must actively participate in the work of one or two committees preparing for the SHA Art Tour. IF YOU ARE CHOSEN TO BE A GUEST ARTIST FOR THE 2023 STUDIO ART TOUR:

- You will be notified in mid to late April. You will have two weeks to confirm your decision to join us at the Tour. You will submit your \$125 entry fee to our Treasurer during that two weeks.
- You will be assigned a Host home for your display.
- Each year, the Tour supports a local charity with a donation box at each Host home. Each artist is asked to donate an amount from their sales. The suggested minimum last year was \$35.
- You are expected to be respectful of your Host's home and leave your designated place clean upon departure. The Host, as well as Sandia Heights Artists, is not responsible for any theft or damage to artists' display, or personal belongings during the tour or overnight during tour dates.
